Article 15: 9<sup>th</sup> November 2009

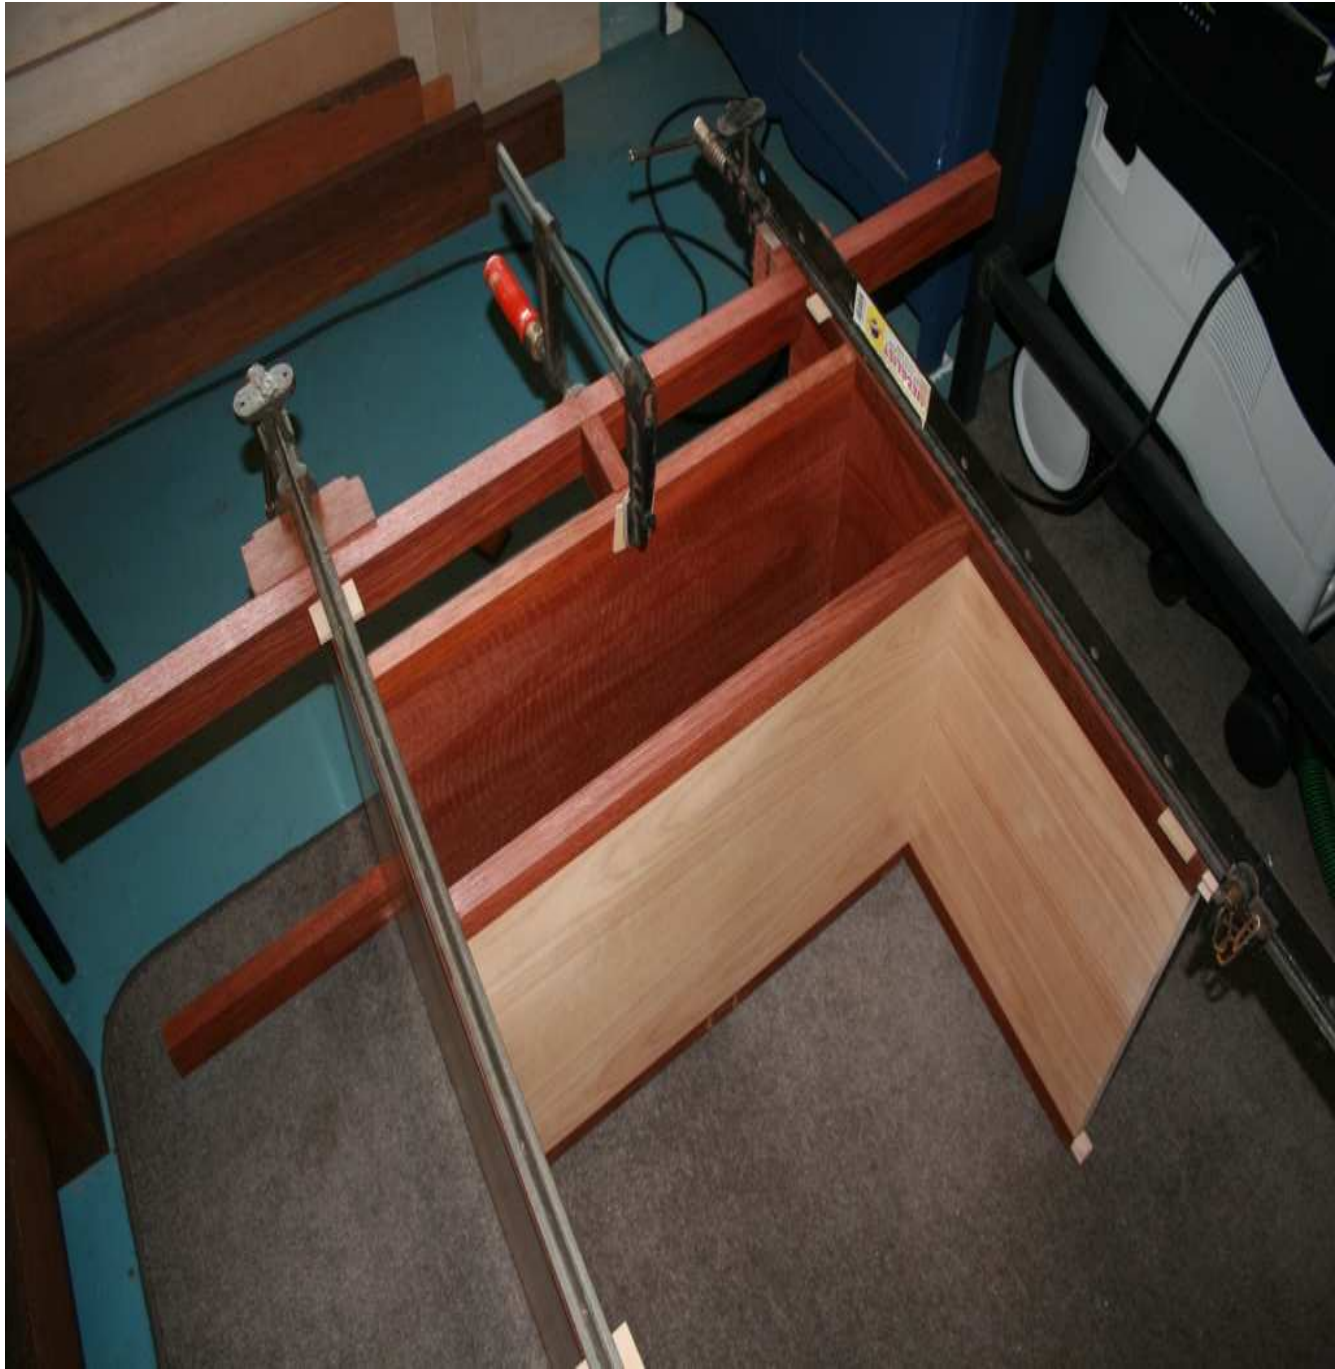

Piece: Sideboard

Subject: Carcass Glue-Up 5.

Carcass glue-up 3 has made a stiff central carcass. I am very confident that this is square and true. The next two glue-ups are securing the front and back top rails and the central drawer dividers.

Glue-Up 5 is the back top rail and central drawer divider being glued to the central carcass which was glued together in Glue-Up 3.
